

Volume 26, Issue 2

March 2025

Notes from the President

Derek Miller, 503-810-4552

So much thanks to everyone who volunteered during the Sportsman Show. We had a successful show and we were able to raise around \$4,000.00 for our scholarship fund. We will have scholarship recipients at our meeting this month where they will be able to receive their scholarship.

March Club Meeting

Nancy Umphress, Refreshments, 503-252-9586

Our next club meeting will be a potluck to celebrate our scholarship recipients. Join us on Wednesday, March 12 at 6:30 PM at Savage Memorial Presbyterian Church located at 1740 SE 139th Ave, Portland, OR 97233.

MAH Fishing Derby

Bill Koepke, 503-538-5300

Just a reminder that March 12, 2025 is the date that you may enter the fishing derby. If you don't enter the derby and catch that big one, you will kick yourself for not entering the derby.

2025-2026 Membership Renewal Information

Krista Miller, 360-747-3499

March is Membership month and annual dues will need to be paid by the end of the month. At a previous meeting, members agreed that instead of solid keys that the club would be transferring to a pin-pad system. Once members who purchase camping access with their members have paid their dues and return the gate key for 2024-2025, they will receive a pin in which they can unlock the road gate. The pump room key will remain the same however instead of gate keys, members will have a 4-digit code to access the property.

Please refer to the following table for Membership dues on the table below:

Individual Membership	\$15.00	Property Key Renewal	\$20.00
Family Membership	\$20.00	Mailed Newsletter Fee	\$10.00

Membership dues and last year's keys may be sent to: 23910 NE Home Acres Road, Newberg OR 97132 or paid, in person, at this month's meeting.

Property Information & Clean Up

The Property Clean Up will take place in April. Final date will be confirmed at this month's member meeting. If you are planning on using the property, remember that the property will remain a dry camp until after the Property Clean up in April.

Members shared that there is a tree that is down on the upper road by the tent sites. The tent sites are not affected and remain open. However, the road from the last tent site to the archery pit should not be used until we can clear the tree. The club will be planning a property clean up and will provide club members with information as soon as plans are concrete.

Sportsmens Videos & Helpful Hints

Club members sent in several YouTube and internet links. Several of them are below, either click the link or search the title on your computer.

Upcoming Plans for Detroit Reservoir

The below links provided are insights on the Army Corp of Engineers plans for Detroit Reservoir starting this Fall. Their plans will affect recreation and fishing for kokanee and trout in the lake. For more information, take a look at the article describing the plans. The YouTube video is an opinion piece from a biologist's stand point of what the plans are for the lake. Please read the information below to be informed on how this will impact trout & Kokanee fishing of the Willamette Valley in the future.
